Advantage Staffing's Employment Service Is the Right Choice

In today's marketplace, utilizing a staffing service is increasingly key to stability, productivity and profitability. Successful companies realize the benefits of utilizing a professional employment service as their recruiter for permanent and temporary personnel.

In the last 15 years, the use of employment services has moved from being viewed as a necessary evil to that of a welcome time and resource saving partnership. Large and small companies alike are turning to Advantage Staffing to handle the majority of their staffing needs.

From small family owned business to large international corporations, Advantage Staffing has seen a noticeable increase in the need for our services to fill positions during special assignments, production peaks and for long term assignments.

Companies are also increasingly utilizing our services to fill professional positions in medical, legal and technical fields.

We are proud to be in the business of saving you valuable time and money.

Increasing Productivity

Temporary and temp - to- permanent employees are more productive than conventional permanent employees according to the US Department of Labor. Complacency is identified as the prime cause of decreased job performance. Our placements have proven to be very motivated with a strong desire to both work and prove their worth.

Providing Superior Service

Our mission is to provide 100% customer satisfaction. We strive to ensure that both customer needs and employee needs are met by providing the best match to assignment and employee. On-going assessment, interviews, skills testing, proficiency, performance and alertness testing assist in continuing to provide satisfaction. Pre-employment reference and other checks help to assure you are obtaining employees who are proficient, reliable, and honest with a strong work ethic.

Personal Service

Our staff is trained to work closely with you to assess your specific needs and plan a program which is geared to increase your profits. This is accomplished by understanding your company's unique needs.

Plans Available

Though each situation has unique specific requirements, we provide a general offering of types of plans which can be tailored to your needs.

Plan 1 - Try Before You Buy

This plan offers you time to observe an employee to decide who is the perfect match to your company from our large pool of applicants.

Plan 2 - Planned Staffing

Many companies utilize our services to secure contract employees for long term, short term and indefinite term assignments. This plan saves your company costly turnover, recruiting, benefits, payroll and personnel administration.

Plan 3 - Payroll Only

Offering many of the same advantages as planned staffing, this plan allows you to recruit, screen, and interview applicants prior to deciding who you wish for us to payroll.

Plan 4 - Headhunter Service

This fee based plan utilizes our vast network to find the right person for your position.

Plan 5 - Employment Screening

This fee based plan offers screening of employees. Fee is based on depth of screening required.
